Everyone is welcome to a fellowship time downstairs following the morning service. Sunday School, for all ages, will begin at 10:30 am.

Child care is provided during the worship service. The nursery is located above the foyer. The Ushers/Greeters will be happy to assist you or answer any questions you may have. We are glad you joined us today!

Prayer Points

-Praise God for Esther Delp’s successful procedure this past week. Esther is recovering at home as she awaits yet another stint to be put in this Thursday. Continue to keep her in your prayers throughout this time.

-Continue to keep Gabriel Hagen in your prayers throughout the weeks of testing that he is experiencing. Pray that Gabriel and his family would be able to endure the waiting that is involved in the process and especially that God would place His hands of healing on Gabriel.

-Please pray for Dale Delp as he experiences another surgical procedure this week. Pray for God’s peace and comfort to be with Dale through the procedure.

-Keep both the economic and political situation of our country in your prayers as we transition to a new administration. Pray for God’s hand of direction to be guiding the process and that persons throughout the country would be unified in prayer for the healing and restoration of our nation.

-Pray for our senior youth, Marsha Bergey, Hannah Clemmer, and Amber Knechel, as well as our youth advisors, as they spend next weekend at Spruce Lake on a Leadership Retreat. Pray that this would be a time of growth and learning as well as a place where they would see how God is working in the lives of other youth.

-Continue to pray for our building program. Pray for all involved in the work and decision-making - that they might have safety and clarity throughout the process. Pray especially that the entire church body would engage in a vision for ministry for the new building and would be passionate about the ways that our community can be reached through these ministries.
